EMPLOYEE BENEFIT	CIVILIAN	COMMISSIONED
Social Security (FICA)	7.65%	1.45%
Retirement/Pension	12.45%	19.4%
Workers' Compensation	By Department	By Department

Life Insurance	0.40%	0.40%

**Wichita Employee Retirement.** Permanent full-time employees, except commissioned Police and Fire Department staff, are members of this retirement system. Employee contribution rates are a fixed percent of salary and dependent upon the retirement plan for which the employee is eligible (Plan 1 is 6.4%; Plan 2 is 4.7%). The City's contributions are based on actuarial recommendations. The City contribution rate for 2019 is projected at 12.45 percent.

**Police and Fire Retirement.** Permanent full-time commissioned employees of the Police and Fire Departments and Airport security officers are members of this retirement system. Employee contribution rates are a fixed percent of salary and dependent upon the retirement plan for which the employee is eligible. The City of Wichita contributions are based on actuarial recommendations. The rate for the City in 2019 is 19.4 percent.

**Social Security (FICA).** The Federal government establishes the Social Security contribution rates. The employer and the employee each pay 7.65 percent of the first \$128,400 of the employee's salary. For commissioned Police and Fire employees hired after April 1, 1986, the City pays only the Medicare portion equivalent of 1.45 percent of the employee's salary. Police and Fire commissioned employees hired before April 1, 1986 do not participate in the Medicare program.

**Unemployment Compensation.** In 2019, the City of Wichita will contribute a budgeted 0.10 percent of total salaries to the State of Kansas Department of Labor to finance unemployment claims.

**Health Insurance.** The City of Wichita offers health insurance to full time employees. On October 2, 2007, the City Council approved a select plan, in addition to the premium plan. For budgetary purposes, the cost to departments is computed using actual health plan participants at a given date. For 2019, the City contribution per employee is budgeted at \$17,554 for select family coverage, \$18,023 for premium family coverage, \$5,885 for single select coverage and \$6,039 for single premium coverage.

**Life Insurance.** Optional term life insurance is available to permanent full-time employees, with coverage based on twice the employee's salary. Contributions are financed equally by the City and employee. The City of Wichita contribution rate equates to 0.40 percent of salary in 2019.

**Worker's Compensation.** The City of Wichita's contribution rate for Workers' Compensation varies by department and is determined by utilization history. Workers' compensation rates range from 0.63 percent to 4.01 percent in 2019.
